

Scholarship Granting Organization—SGO

Dear Full-Day Kindergarten Parents,

Our Lady of Mount Carmel is offering scholarships to eligible full-day kindergarten students enrolling for the 2022/23 school year through our SGO with the Institute for Quality Education. If your child meets all the following criteria, you may apply for a scholarship online at www.i4qed.org/apply:

- Is a resident of Indiana
- Is five (5) years old by August 1st
- Is a member of a household with an annual income of 300% or less of the amount required to qualify for the USDA's free or reduced meal program. (See chart below):

300% of Free/Reduced Meal Income Eligibility Guidelines 2022-2023

Household Size	Income limit
1	\$75,425
2	\$101,621
3	\$127,817
4	\$154,013
5	\$180,209
6	\$206,405
7	\$232,601
8	\$258,797
9	\$284,993
10	\$311,189

Please note that if you have more than one kindergarten student, please apply separately for each.

If you think that your child meets the eligibility requirements and decide to apply for the scholarship, we are required to verify the household income that you show on your application.

This is how your income will be verified:

Your income is verified with a copy of your 2021 Federal income tax return or FACTS Grant & Aid Assessment. Once you have completed the scholarship application online, please bring your income documentation (federal tax return or completed FACTS form) to the Director of Operations at the parish office to be verified (If you have filled out an application with Facts, you likely will not need to provide any additional information, simply bring in the completed FACTS form).

Again, we thank you for partnering with us in the academic and spiritual formation of your child.

Sincerely in Christ,

Tim Fletcher
Principal
Our Lady of Mount Carmel School
